Hello Macedonia,

Happy New Year! We celebrate a new year with new possibilities, wondering what great things God will do this new year. I anticipate God is going to do something great in 2020, I just can't wait to see what it is. God is always at work in the life of the believer using everything for our good according to Romans 8:28. We can step into the new year knowing that our God is active and in control, sovereignly orchestrating things in a way we may never understand. Our God is all about second chances, new starts, and renewal. He is merciful when we sin, gives grace and more grace, always looking out for our good, so that we give Him the glory. Step into 2020 knowing God is in control, that He is renewing us and strengthening us day by day giving us the fresh start we don't deserve. Glory to God for His grace and mercy provided through the sacrifice and resurrection of our Lord Jesus Christ.

~ Pastor Jeremy

Children's Church is worship designed especially for children 3 years - 6th grade. They will meet this month on January 5th, 12th & 26th during our morning worship service.

Sunday Evenings @ 6:00 pm in the Youth Room

This is a service for our students to worship in song and hear teaching that directly addresses issues they face daily. It is a great time of fellowship and an opportunity for real spiritual growth. We hope to see all of our youth there!

While reflecting on the impact the Bible has had on my life, especially for the last decade, and praying it will have for the next decade, I came across an email that really made me think. I would like to share this email with you.

Ever wonder what would happen if we treated our Bible like we treat our cell phone?

What if we carried it around in our purses or pockets?

What if we flipped through it several times a day?

What if we turned back to go get it if we forgot it?

What if we used it to receive messages from the text?

What if we treated it like we couldn't live without it?

What if we gave it to Kids as gifts?

What if we used it when we traveled?

What if we used it in case of emergency?

This is something to make you go...hmm...where is my Bible?

Oh, and one more thing.

Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill.

Hopefully this next decade the scripture will impact all of our lives and in so doing will impact our country!
Happy New Year! ~ Pastor Joe
