

NOTE FROM PASTOR RANDY

God has blessed us with an abundance of opportunities during the summer months. Graduations, celebrations, VBS, children & youth camps, mission trips, ministry, & church fellowships fill our calendar. I know that there will be occasions when your family won't be able to participate in some of the services & activities we have planned during the summer because of other commitments. However, I want to encourage you to embrace the opportunities we have over the next several months to grow in your faith through worship, learning, fellowship & ministry. Have a great summer! ~ Pastor Randy

Children's Church Sundays during Morning Worship . . . June 8, 15 & 29

To the young in heart and also to the young in body, Chuck Swindoll tells of a sign across the dashboard of a racing boat placed there by the driver: "get in, sit down, shut up, hang on." The first four words are obeyed out of courtesy. The second four are obeyed out of fear once the racing boat reaches speeds of 80 mph plus. During this busy summer schedule obey these eight words of our Father in Isaiah 41:10 "I will strengthen you, I will help you." Whether you are young at heart or young in body these words will be a help to you all summer long. They are given out of love, so trust them out of love. ~ Joe
